By receipt of this signed certificate, so identifies Samuel Burris as having complied with all requirements of the COUNTY OF ST. CHARLES, MISSOURI to perform the duties of a Licensed Electrical Contractor in said County until reason causes this license to be suspended or the license expires on **12/31/2025**.

Rick Meister
Building and Code Enforcement Division Director

Compliance with State Immigration Laws:

Your license is subject to the provisions of the Code of Ordinances of St. Charles County Section 622.525 through 622.555, which prohibit the knowing employment of unauthorized aliens to perform work within the unincorporated area of St. Charles County and which further authorizes the investigation of complaints against business entities doing business in the unincorporated area of the county and alleged to be employing unauthorized aliens, providing for prosecution and enacting penalty provisions Section 622.530-543 provides for the suspension of any permit or license if a business entity fails to provide identification information of persons working on the site and the municipal court may also determine to suspend permits and licenses if it concludes a business entity knowingly violated the ordinance.
